Church Music Workshop

Fourteen Northwood musicians returned July 11 from a week of music, worship and the arts at the Florida Fellowship (FUMMWA) Workshop held this year near Leesburg FL. Nationally known clinicians led us in choral and handbell rehearsals and seminars which culminated in a Friday morning concert and worship service featuring the various groups. Our attendance at this event is funded in part by our annual garage sale. One of the highlights of the Friday morning concert was the awarding of the Grant Pulen Music Scholarship to Northwood's Kylie Torres who will be attending Florida Southern College this year majoring in Music Education. The \$1500 grant is awarded to one student each year who is majoring in music and is active in the local church and/or the annual workshop. (Kylie was a member of the leadership team for the youth at workshop this year.)
