Per Capita Apportionment

Every church shares in the administrative costs of the Presbytery, Synod and General Assembly of the Presbyterian Church (USA) through the annual per capita assessment. Northwood's per capita assessment for 2014 will be \$24.22 per every active member and confirmed youth (communicant member). Please consider paying this administrative cost above and beyond your annual pledge/offering. You can contribute to the per capita apportionment at any time during the year. To do so just write "per capita" on the memo line of your check or mark an envelope accordingly. Per capita envelopes can also be found in the pews. Thank you for your gift.

Building Renovations Approved

The Session has approved a Capital Campaign for needed renovations to the restrooms in the main building of our church. These renovation plans were the result of the 2010 Vision Task Force from two years of prayer, discernment and seeking input from the congregation and its leaders about ministry needs at Northwood. While these renovations will not begin until the summer of 2015, members of the congregation will receive a letter inviting them to make a pledge to the campaign in the coming month. These renovations, the first in nearly 35 years, will bring our restrooms up to required codes for both the school and church. It is envisioned that those making pledges toward the building campaign, over and above regular financial gifts to the church budget, will be asked to complete their pledge in no more than 18 months by December 2015 or before. A campaign letter and pledge card with more information about the project will be mailed to members in June. The Financial Goal of the Campaign is \$80,000.
