

[Per-Capita Apportionment](#)

Every church shares in the administrative costs of the Presbytery, Synod and General Assembly of the Presbyterian Church (USA) through the annual per capita assessment. Northwood's per-capita assessment is \$32.20 per every active member and confirmed youth (communicant member). Please consider paying this administrative cost above and beyond your annual pledge/offering. You can contribute to the per-capita apportionment at any time during the year. To do so just write "per-capita" on the memo line of your check or mark an envelope accordingly. Thank you for your gift.

They bring hymnals and sing with the residents and also give a short message with scripture and prayer. This is such a blessing to those helping and receiving in God's goodness!
