News from the Facility Manager

Hello Again Northwood Family!

Wow!!! It's hard to believe that Easter has come and gone and it's May already! Where does the time go?

To start, our new tree has been in now for over a month and doing fine. I know a lot of you are concerned because there are some dead leaves. Some of these can be from transportation and some from transplanting. What I look for is that the new and outermost growth is green and looking good. I have recently fertilized and treated it with vitamins to prevent further shock. I am not concerned, and have faith that it will be just fine. However, all prayers will be appreciated just the same.

Next, as I mentioned last month, a lot of the excess dirt from the tree was placed on the west side of the youth room and gym. This area has been sodded to stabilize it and the sprinkler system for this zone has been reworked to water more efficiently. Mike Sacco, from the lawn maintenance company, mowed it recently for the first time.

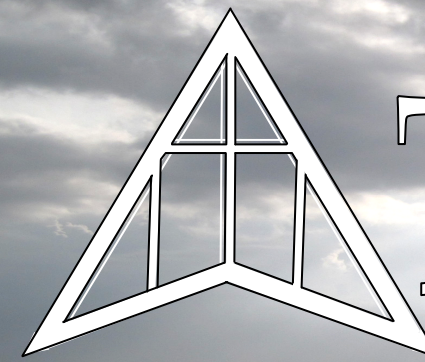

The walkway and the seat walls on the North side of the CE Building have been de-mildewed and cleaned. During the next month I will be applying a sealer to help prevent recurrence. I will try to go around all the buildings to do the same thing, but am limited to the amount of time I can spend on this project.

Lastly, a great big thank you to Sam Musgrave, Tom Baker, and Michael Cromwell for putting up, taking down and storing the outdoor service stage. Thanks for storing it so neatly, guys!

To close I want to wish you all a blessed and safe Memorial weekend.

At your service,

Jeff Mossolle

Children's Choral Festival Recap

At the beginning of every school year, I receive a list of seven high-quality children's anthems from the Central Florida chapter of the Chorister's Guild. We learn all of them throughout the year and, in the spring, join with other children's church choirs from all over the state to sing these songs with a national clinician who conducts. We have been participating in this event for seventeen years. This year eight of our third through fifth grade children attended. The day involved choir rehearsals together and the children also got to choose two other musical activities to experience: recorder, Orff, bells, drumming, sign language, drama and/or sacred dance. At the end of the day there was a final concert where they sang the songs they learned and performed the activity of their choice. This trip included a stay-over the night before in a motel, which the kids loved. Part of the yard sale funds helped us to make this trip. Here are some comments from a child who attended and a parent who chaperoned:

"The church is VERY beautiful and the singing was fun and I enjoyed learning the new songs. I had fun at the hotel and was glad that Sonya went, too. I will never ever forget the experience. Thank you for inviting me. I am happy to be a part of the church family!!!!" Aly Tobiassen

"I was amazed at how many activities we packed into one day! And how by the end of the day, all the kids, from all over came together and sang so seamlessly. The church was beautiful and their voices soared. Seeing the kids come together to praise God and enjoy fellowship and music together was the highlight."

My favorite part of the van ride was at the very end, when all the kids, without being told to, started singing together.

Thanks again Stephanie for all you do. It was a great trip!" Kathleen Pope

So thank you Northwood for your continued support of the music ministry! And please remember to save items/donations for our annual yard sale which will be January 16 and 17, 2015. The yard sale helps us to take trips like this and fund other things for the music ministry.

Reflections on Building Renovations, Our Vision and Our Values

Dear Friends,

Thank you to those who have already spoken to me about the announcement I made in worship on May 18th regarding the building renovations recently approved by the Session. There has been no surprise at this need and I've heard many say it's "long overdue."

There were a few questions I received which I want to answer here for all of us. To begin with, "What went into the decision to renovate the restrooms in the main building of the church?" The decision to renovate the main restrooms of the church came out of the good and faithful work by our Vision Task Force which met beginning in 2010 for almost two years. The Task Force held in-depth discussions with church staff, ministry teams, technology representatives and an architect to identify current and future needs of our church campus. They took time to walk through our campus buildings to look at how programs and activities utilize existing space and what changes would benefit the church in the future. Finally after much prayer and discernment we realized that one of the main priorities we needed to address now are required upgrades to our main restrooms.

Our restrooms are located in the heart of activity next to the sanctuary, Pre-School, kitchen and education rooms. They are outdated, not up to multiple required codes, not handicap accessible, and, as you may notice, they also look like they needed renovating years ago! It was unanimously agreed upon that these restrooms must be renovated for the growth and vitality of Northwood.

Another good question was whether the \$80,000 campaign goal would be enough to satisfy the kind of expense associated with today's construction costs. We believe that through initial estimates we can do an effective renovation based on current material costs and the square footage of the project.

We have already greatly benefitted from the expertise of one of our members, an architect, Lex Long, who has his own architectural firm, Long & Associates. All of Lex's time and efforts have been donated toward the project. Thank you Lex! Please note that if you have questions about the project, please limit your questions to either, Elder Lou Weislogal (Stewardship, Finance and Property Chair), Chris Hurst (Business Administrator), or to me. In other words, please allow Lex and Melissa Long and family to enjoy worship on Sunday and let his gift be his gift to us.

When will the renovation begin?

The renovations will begin as close to June 1, 2015 as possible when the Pre-School will be on summer break and our peak time of active programs and attendance won't be disrupted by the temporary closure. The restrooms in the Church Office and in the Family Life Center, and perhaps some portable restrooms, will be available. We sincerely hope and pray that beginning this July members will make an 18 month pledge or a significant gift toward the renovation campaign. Pledges are asked to be completed by December 2015 or earlier. Thus we will plan to begin next summer with most of the funds needed already in hand.

As we reflect on our church's vision and values, two of the most important values we hold dear as the Church of Jesus Christ are people and buildings. I've always heard that the way a church cares for its buildings and campus says volumes about how we care for people. When people visit Northwood looking for a church home or a Pre-School for their children, one of the first things they see is how we care for our buildings. It's also good stewardship to maintain the church for future generations so that we pass on to them the Church of Jesus Christ in even better condition than when it was inherited.

The next letter you receive in mid-June about these renovations will include a pledge card and will ask, "At what level of giving is God calling you to participate?" Your pledge contributions to "Building Renovations for the Future" will be greatly appreciated.

In Christ,

Caring for Our Church Family

Facility Note

After the long cold winter, the warmer temperatures are here. Please help us be good stewards by being sure to set thermostats to 79 degrees and turning off all lights when you leave areas you have been using at the church. If you are ever in doubt, turn it off and lock it up! Also, please help us in being safe and compliant with fire code by leaving the area clear in front of all exit doors and fire extinguishers. In particular, silk trees/plants in the Christian Education building may not be stored in such a way that hides extinguishers from sight. Thank you for your help.

Church Website

Many of you have asked how to retrieve the upcoming week's bulletin information on our website! Here's how:

1. Go to www.northwoodpc.org
2. Scroll across the top menu bar until you come to "Resources," but don't click on it.

3. When the menu drops down, select "Publication Archives" to be taken directly to the Bulletin.
4. If you'd like to access the Monitor, Window or Announcements, follow the same directions and once you get to the Bulletins, use the right column to navigate between the other publications.

If you have additional questions, contact Katie.

The staff would like to remind you to continually check back to the church website for information on upcoming events! The website is constantly changing and updating! Do you have something you'd like to put on the website? Contact Katie Pacana.

Recycling

The proceeds from paper recycling via the blue dumpster at the church are still used to fund college scholarships. We welcome your newspapers for this worthwhile project!

GOD'S TOOL BOX

God's Tool Box is willing to assist you with minor household repairs or errands. If you are in need of a helping hand, the ministry of God's Tool Box would like to help. Contact Sue Miskiewicz to request some assistance.

We're Still Collecting Pull Tabs

Presbyterian Women are collecting aluminum pull tabs/pop tops for the Shriners. Please carefully pull tabs from empty cans and place only tabs in the labeled basket in the collection center in the South narthex. The profit from recycling is used to purchase hospital equipment. For questions contact Loisanne Bilka.

Be a Sunday Greeter!

We're looking for volunteers to Greet on Sunday mornings! If you are interested, check the "I'd like to be a Greeter" box on the Friendship sheet, sign up on the bulletin board, or call Barbara Moler at 734-3331.

No Prayer Group Until September

Thursday morning prayer group will not be meeting now through the summer. We will resume in September. Thank you.

Library

Children and parents, DVD's are now available for checkout. Be sure to sign the check out card and leave it in the basket on the desk. When returning the DVD, leave it in the slot on the desk drawer marked "DVD".

Pentecost is June 8th-Wear Red!

Pentecost is just around the corner and we'd like to invite each of you to wear your red as we celebrate the gift of the Holy Spirit to the church!
